

Make Water-Use Efficiency A Way of Life

As southern Californians, using water efficiently is a vital priority. Do your part to protect our water resources for current and future generations by embracing an efficient lifestyle this summer - kick the water wasting habit for good!

Water Saving Habits to Adopt

Use a shut-off hose nozzle and bucket when washing vehicles.

Use compost products to save water and supply direct benefits to soils and crops.

Use a broom—not a hose—to sweep patios, driveways and sidewalks.

Water plants in the early morning or late evening to reduce evaporation.

Kick the Habit
don't waste water
